

VECTOR: Outsource for EC

DELIVERING AFFORDABLE SERVICES

The challenge facing banks today is to meet the payments translation and processing demands of their corporate customers in a cost-effective manner. Increasing competition in the financial services industry drives banks to perpetually improve the products and services provided to their corporate customers, while maintaining competitive pricing, at low cost. VECTOR: Outsource for EC can help.

YOUR SILENT SERVICE PARTNER

Banks are forming strategic partners with corporate customers who expect the bank to be both a financial service provider and a reference or information source; providing answers to banking questions of a traditional and non-traditional nature. Metavante Image Solutions offers payment translation and processing services for banks and their corporate customers using VECTOR: Connexion, the number one payments translator in the industry. Metavante Image Solutions will act as your service partner, providing comprehensive products and services for you and your corporate customer at a price that allows profit for you and affordability for your customers.

EXPERTISE YOU CAN DELIVER

As the cornerstone for your bank's financial EDI services, VECTOR: Outsource for EC distinguishes you as a leading provider of electronic corporate services and helps ensure that you retain and build your share of the financial EDI market. You will be able to offer comprehensive financial EDI payment, collection, and translation of FEDI transactions. VECTOR: Outsource for EC's sophisticated functionality allows you to provide many other unique advantages to your customers including processing of

proprietary files, merging Lockbox and ACH files to produce a single electronics receivables file in any format, and generation of remittance advice customized for each customer. Receiving and sending custom or proprietary file formats to your customers requires technical expertise.

You may use Metavante Image Solutions to act as your technical consulting agent in dealing with your customers to get them in production fast. Metavante Image Solutions is ready to work with you and your corporate customers to assure a smooth business transition, with Metavante Image Solutions operational professionals acting on behalf of your bank. For customers wishing to use VECTOR: Outsource for EC as a stepping stone to running the application in house, Metavante Image Solutions offers accrued credit and conversion assistance. So, make the move today to become a provider of Financial EDI services to your customers.
